DATE MAILED:

**Please find below and/or attached an Office communication concerning this application or proceeding.**

**Commissioner for Patents**

The reply filed on November 30, 2009 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): the restriction requirement mailed October 29, 2009 requested that Applicants elect up to nine more species which encompasses all of the claims (1, 6-8, 10, 13, 20, 23 and 24) of the elected invention as well as provide a SEQ ID NO: for each of these additional nine species. The restriction requirement also requested that Applicants add methods claims that use the allowed product in accordance with rejoinder practice. The rejoinder was requested at this time in an effort to provide compact prosecution. See 37 CFR 1.111. Since the above-mentioned reply appears to be bona fide, applicant is given ONE (1) MONTH or THIRTY (30) DAYS from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
